

RELOCATABLE ENSUITES
Custom Designed Pre Fabricated Portable Ensuites & Toilet Blocks

WE CUSTOMISE

Relocatable Ensuites designs and manufacture all of our products. We are a leading supplier of portable toilets, ablutions and ensuites. This gives us the ability to build virtually any design with any level of finish required for your project. We can custom design and build a portable building to your exact requirements and/or environmental conditions providing the perfect solution for your needs.

WE MANUFACTURE

We specialise in manufacturing toilet and ablution blocks designed to operate in remote areas or locations where water or sewer services may not be available.

Some of previous custom designed client projects have included:

Portable Shower Blocks

Portable Toilets

Portable Bathroom (Shower & Toilet) Blocks

No Job Too Big. No Job Too Small.

Welcome to Relocatable Ensuite. My name is Dale Bull and I am the founder and creator of an incredible product that I custom design and make based on people's needs and wants. I am a qualified Sheet Metal Worker, having worked in the industry for over 30 years, I have ran many successful businesses and am enjoying the creating of my toilet blocks and ensuite. I believe in using good quality products, fittings and furnishings and I pride the workmanship and the quality of my relocatable ensuite and toilets. I am passionate about my business and I look forward in sharing this amazing product with you.
